International Community School News

Hello ICS Families!

What an amazing week celebrating our teachers at ICS! Smoothies, gifts, catered lunch and breakfast were all provided by the PTSA. Our teachers, counselors, and librarian were truly spoiled by you. This appreciation week comes at just the right time where things are a bit crazy as we wrap up the school year. Each of these days provides faculty a chance to reconnect with each other during lunchtime.

Teachers at ICS are truly special and support students in so many ways. At the moment they are investing a lot of time finalizing Focus Week experiences for your students. Most of our teachers also supervise multiple clubs at ICS supporting the personal development of students. They are commonly seen supporting students academically before/after school and during lunch. This is in addition to their regular responsibilities of lesson planning, grading and more.

It is clearly evident that our parents recognize how our teachers go above and beyond for our students at ICS. I join you in appreciating their contributions to our community.

Have a wonderful weekend with your families!

Jacob

IB at ICS (by Lauren Jackson, IB Diploma Coordinator)

This past Wednesday, I met with the IB Coordinator and observed the process of running an IB exam at Skyline High School. I learned so much about how to make that process smooth for students and volunteer proctors. We look forward to having a group of ICS parent volunteers to help us administer IB exams when we get to that first exam season in 2028. This is a great way for families to be involved and to learn more about how IB exams work. Don't forget to contact Ms. Ann about volunteering with CAS as well!

In a few weeks, a group of ICS teachers will head back to Skyline to meet with teachers who are teaching the same IB courses. IB calls these “job-alike” meetings. We’re thankful to have another opportunity to get our questions answered and prepare well for our courses next year.
