## Dear Wyoming Families,

As we move into the heart of May, there is a great sense of momentum and celebration building across the Wyoming High School community. Our students are showing incredible focus as they navigate their AP exams. We are incredibly proud of their perseverance and the immense effort they are pouring into these rigorous assessments; it is a true testament to their commitment to academic excellence.

This week, we have also enjoyed the opportunity to celebrate Teacher & Staff Appreciation Week. Thanks to the incredible generosity of our families through the PSA and the creative energy of our Student Council, we've been able to honor our educators with several meaningful gestures. Whether it was a "treat cart" surprise or a thoughtful note of thanks, these moments highlight how much our community values the professionals who make our school such a special place to grow.

Looking ahead, next week marks the final stretch of instruction for our seniors as they prepare for exams beginning the week of May 18th. Senior families, please continue to reference the [Wyoming High School Class of 2026 - Countdown to Graduation](#). This guide outlines all the essential dates and details leading up to our Commencement Ceremony on Saturday, May 30th. We are so excited to celebrate the Class of 2026 and all they have achieved.

Please remember that there will be **no school next Friday, May 15th**, as our community gathers for May Fete. This annual PSA fundraiser is a cherished Wyoming tradition, and we hope to see many of you there enjoying the festivities and celebrating the school year together.

As always, thank you for your continued support, encouragement, and partnership. It is an energizing time of year, and we are grateful to share this journey with you. We wish you and your family an enjoyable weekend ahead.
