The May character trait of the month is Responsibility.

Students, this is a reminder of the importance of bringing your fully charged Chromebook to school each day. In many of your classes, the Chromebook is an essential component of the instructional program. Please note that **loaner Chromebooks are strictly limited and may not be available.** **If you have borrowed a Chromebook from the Main Office in the past, you need to return it to the office by the end of the day today or a charge will be added to your Skyward account.**

The Summer MCT bus passes have arrived and can be picked up in the Main Office on the counter. These passes allow you to ride MCT free all summer long. These passes are valid from Memorial Day, May 25th, through Labor Day, September 7th 2026.
