This is a deep-water lifeguard certification class. Upon successful completion of the course, participants receive a certificate for Lifeguarding that includes CPR/AED for Professional Rescuers and First Aid and is valid for 2 years.

Requirements include:

1. Complete Online coursework
2. Pass the prerequisite swim-tread-swim and brick test
3. Attend entire course and participate in class sessions
4. Demonstrate proficiency in all skills taught in the course
5. Pass a final written exam and three skill assessments.
