

S.C.O.O.T.

(School Community Outdoor Outreach Treat)

Dear Families,

Please join us Tuesday, June 9, 2026

on Winthrop School's front lawn

for the annual Kindergarten S.C.O.O.T.

Stop by at any time between 5:00 p.m.-6:00 p.m.

The activities should take approximately 30 minutes to complete. The literacy and math "StoryWalks" are full of activities. There will also be a vocabulary station, featuring an "Outdoor Nature Treasure Hunt Card Game for Families" and a counting station. Each rising kindergarten student also selects a book of their choice. Come interact with other incoming kindergarten families, gather some information, and engage in simple, fun-filled activities to help build excitement for kindergarten.

We hope to see you at the S.C.O.O.T.!

Winthrop School
