Weighted Courses

Weighted Grade System

The District shall categorize and weight eligible courses as Dual Credit/AP, Honors, and Regular in accordance with provisions of this policy and as designated in appropriate District publications.

Categories

Dual Credit/AP

Eligible Advanced Placement (AP) courses and dual credit courses from among those listed in District publications shall be categorized and weighted as Dual Credit/AP courses.

Honors

Eligible courses locally designated as honors shall be categorized and weighted as Honors courses.

Regular

All other eligible courses, including dual credit courses that are not eligible for Dual Credit/AP weight, shall be categorized and weighted as Regular courses.

Weighted Numerical Grade Average

The District shall assign weights to semester grades, including failing grades, earned in eligible courses and calculate a weighted numerical grade average, in accordance with the following:

Category	Weight
Dual Credit/AP	plus 20
Honors	plus 10
Regular	plus 0

Dual Credit

The following courses are the only courses taken through dual credit that will calculate into your grade point average (GPA) and be weighted. Any addition courses will appear on your transcript but will not be calculated in your GPA or counted towards graduation requirement credits.
