

2026/2027 School Year Student Laptop Protection Plan

Yes, I would like to purchase a laptop protection plan for my student's laptop at a cost of \$10 for the school year.

Payment is made directly with the school, please reach out to the school office to arrange for payment.

- If you need assistance with the laptop protection plan payment, please contact the school.
- The laptop protection plan is not active until payment is made at the school.

Franklin Pierce Schools offers an optional device protection plan that families can opt-in to purchase. Please contact the school office to sign-up and arrange payment.

For the price of a couple of morning lattes, the \$10 annual protection plan covers up to three accidental incidents between both the laptop and the charger. **Please note: this plan does not cover loss, theft, intentional destruction or willful misconduct.**

After the 3rd incident of repair or replacement, students will lose the right to take their device home (if applicable), and school administration will work with the student/parent/guardian on an ongoing device use plan.

If a device is stolen, please provide the school with a copy of the police report or incident number.

Replacement costs without protection plan:

- Device repair: up to \$250
- Complete device replacement: up to \$500
- Charger replacement: \$50
- Laptop screen replacement: \$75
