

FLYERS

Print material were created to send home in Friday Folders and posted on bulletin boards and hallways in each school site.

ATTENDANCE MATTERS

Students who regularly attend school are more likely to graduate on time and succeed after school. Missing just 2 days a month means a child misses 10% of the school year.

ATTENDING SCHOOL MATTERS!

Facts About School Attendance

Chronic Absenteeism

Missing 10% (about 18 days) of the school year is considered chronic absenteeism, which is linked to lower academic performance.

Social Impact

Students who miss school regularly can experience social isolation, struggle to form strong peer relationships, and miss out on crucial life skills.

Why Attending School is Important

Academic Success

Consistent attendance improves performance in reading, math, and other core subjects.

Skill Building

Regular attendance helps students build problem-solving, communication, and collaboration skills, which are essential for future success.

Social Development

Attending school fosters social interaction, emotional development, and a sense of community.

Long-Term Impact

Good attendance habits are linked to better outcomes in adulthood, including higher income and lower involvement in crime.

Graduation Rates

Students who attend school regularly are more likely to graduate on time and pursue higher education or career opportunities.

Parent and Community Roles Assistance

Support from families and communities plays a crucial role in improving attendance, emphasizing the importance of collaboration.

SOCIAL MEDIA

District 6 and School Site's would utilize their social media feeds on all platforms including: Facebook, Instagram and X

SCHOOL MATTERS

When your child is in school every day, they learn, have access to free meals, have access to first aid and medical support, can receive mental health support and get to have fun, new experiences.

SCHOOL MATTERS

Research shows that missing 10 percent of school, or about two days a month, negatively affects a student's academic performance, and could lead to a child falling behind in school.

SCHOOL MATTERS

Students who join in extracurricular activities - such as athletics, theater, music, intramural sports, clubs and student government - are more likely to attend school and graduate on time. Encourage your student to find an activity that they love and join in!

SCHOOL MATTERS

Did you know if your child misses 18 days or more of school in Kindergarten and first grade, they only have a 17 percent chance of being able to read well in the third grade?

SCHOOL MATTERS

Students who join in extracurricular activities - such as athletics, theater, music, intramural sports, clubs and student government - are more likely to attend school and graduate on time. Encourage your student to find an activity that they love and join in!

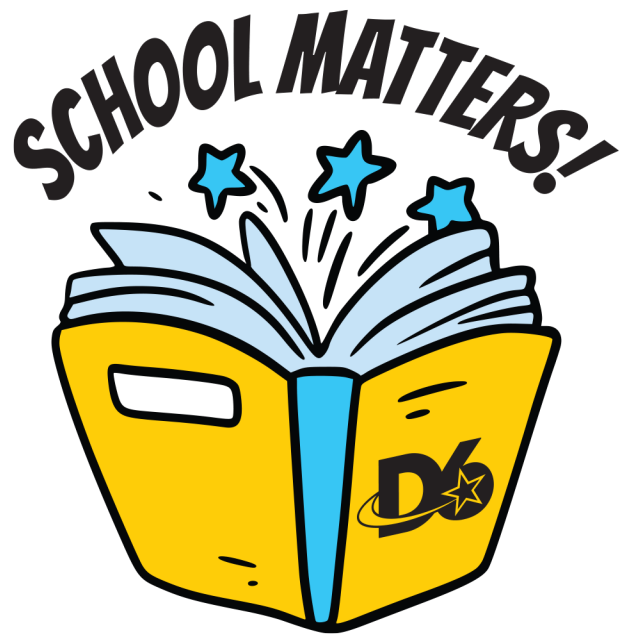

DOOR HANGERS

District 6 Family Advocates used these door hangers to notify families about their student's attendance. The reverse side was intentionally left blank, providing space for personalized notes or additional information.

STICKERS

Stickers were given to our elementary students who had high attendance throughout the year.

VINYL BANNERS

Large vinyl banners were created to hang in each of our high schools with the “Attendance Matters” theme and slogan.
