D6 Gives Back

D6 Gives Back is all about coming together to support our community!

We're encouraging our school district employees to volunteer with local organizations to share your time, your talents, and make a difference. Want to join us in giving back to the organizations who give so much to our students and staff?

Here's the Scoop:

- Get 8 hours of paid volunteer time each year when you join the program.
- Choose what works for you: one-time projects, half-day activities, or even a series of events on your own or with your team.
- Log your volunteer hours easily using the process on the D6 website.
- Need ideas? Check out our list of community partners below and get connected!

SERVING OUR COMMUNITIES OF GREELEY AND EVANS
