Student Application for Appointment to the Community Curriculum Advisory Committee

The Community Curriculum Advisory Committee (CCAC) serves as a resource to the Board and Superintendent in setting the direction for long-range curriculum development and assisting in the development of the schools' curriculum and instructional programs. Committee responsibilities include reviewing curriculum, instructional programs, proposed new courses, and study team recommendations; and reporting findings and recommendations to the Board of Directors for discussion and action. Members of the CCAC consider a wide range of curriculum and program development topics. In recent years, the CCAC has advised the Board regarding the approval of high school course proposals, such as Internship Elective, Advanced Placement (AP) Psychology, Introduction to Agriculture, and Financial Algebra.

Committee members are appointed to two-year terms by the Board of Directors. Meetings are held in the evenings, at the Administration Center, November through June, on the first Monday of each month.

Committee members are required to reside within the boundaries of the Hillsboro School District. Please print:
