In Memory of Abbey

Today's convocation is dedicated to the memory of Abigail "Abbey" Campbell, a senior in the Emergency Medical Technician program from Greenon High School. Abbey started her career at CTC in the Health Occupations program, where she enjoyed helping others, but she found her true passion in the EMT program. Abbey planned to use her passion to help others by becoming a nurse, specializing in trauma.

Abbey was a member and an officer of CTC's SkillsUSA organization where she served as our local Vice President and as a Central Regional Officer. She also ran as a state officer candidate. She was enrolled as a college credit plus student at Clark State College, taking not only the EMT course but also many other academic courses.

Abbey was very dedicated and active in her church, which showed in her daily interactions with others. She also enjoyed playing tennis with the Greenon High School tennis team. Abbey had a bubbly personality that drew everyone in. Her constant smile was contagious. She will be greatly missed.
