

Tyro Elementary Family Engagement Policy

Tyro Elementary School, in conjunction with Davidson County Schools, will take the following actions to involve parents in the joint development of its parent-family engagement plan.

Our Promise to you

We promise to work with you and not against you. We will invite you into the school. We will build relationships with your students so you all know we care about them as a person. We promise to ask for your feedback regarding our programs and progress, and we promise to keep you informed about your student's performance.

Planning

Teachers, instructional assistants, instructional coach, and administrators work together to develop ideas for family engagement nights. The ultimate goal is always to increase family participation at these events.

Our Events Will...

- **Provide a clear understanding of school-wide and classroom expectations**
- **Build relationships with families to support you all with your student's success**
- **Provide support when navigating both district and state academic assessments**
- **Provide clarification about what Title I is and how it impacts students at our school**
- **Introduce you to and help you with resources in our Family Academic Resource Center**
- **Coordinate social support outside the school building to ensure an adequate home environment**

What we would like our Tyro Bears to do:

- **Complete assignments**
- **Arrive to school on time and stay the entire day**
- **Exemplify ROAR**
- **Be a good messenger between school and home**
- **Be respectful to everyone they encounter**
- **Read with an adult and by myself often**

What we would like our Tyro Families to do:

- **Talk to your children about their day at school**
- **Read often as a family**
- **Get your student to school on time (unless they are sick)**
- **Expect high expectations and offer praise and encouragement**
- **Attend conferences as needed**
- **Attend our Title I nights**
- **Involve your student in problem solving situations**
- **Be a positive role model**

Tyro Parent Advisory Council

Tyro Elementary School provides opportunities for all parents to openly participate on the advisory council. This council meets five times per year and is considered to be a liaison between the school and the community.

Each school served under this part shall jointly develop with, and distribute to, parents and families of participating children a written parent and family engagement policy. (Section 1116, ESSA.)
