

AISA Strategic Roadmap 2025–2030

Thriving for Excellence: Our Future Ahead

PREFACE

AISA Strategic Roadmap 2025–2030

The American International School of Abuja (AISA) remains committed to nurturing excellence in education, innovation, and community engagement. This Strategic Roadmap outlines our shared vision for the next five years, aligning our goals with the values that define our school.

Our plan is structured around three guiding pillars:

- **Thriving for Excellence** – Investing in people, programs, and innovation to unlock potential and inspire lifelong learning.
- **Future Forward** – Building a sustainable and innovative learning environment that prepares our students for a rapidly changing world.
- **United in Community** – Strengthening bonds between students, families, faculty, staff, alumni, and local partners through inclusion, service, and collaboration.

FUTURE FORWARD

"Together with our students, teachers, staff, parents, board members, alumni, and community partners, AISA is committed to leading with innovation and sustainability. We are building a campus and curriculum that prepare students for a rapidly changing world while protecting the planet we share. By investing in renewable energy, responsible resource management, and global-minded education, we ensure that every member of our school community is part of shaping a cleaner, smarter, and more resilient future."

Future Forward

We commit to building a sustainable and innovative learning environment that models best practices for future generations.

- **Renewable Energy** → Develop infrastructure using solar/clean energy to reduce AISA's global footprint (Start: Jan 2026)
- **Campus Master Plan** → Redesign through an inclusive process to create a world-class learning environment (2026–2030)
- **Curriculum** → Embed environmental issues into teaching; empower students to advocate for sustainability (Aug 2025)
- **Policies & Practices** → Create safe, clean, aesthetically inspiring spaces that foster deeper learning (Sept 2025)

3

UNITED IN COMMUNITY

"The strength of AISA lies in the unity of its people — students, families, faculty, staff, leadership, alumni, and local partners. We are dedicated to fostering a community where collaboration, respect, and belonging are at the center. By building inclusive policies, expanding support for diverse learners, and strengthening our ties with the wider Abuja community, we ensure that every stakeholder feels valued, represented, and connected. United, we thrive — together, we achieve more."

United in Community

We strengthen our school by embracing inclusion, fostering partnerships, and building meaningful connections with families and the wider community.

- **Service Learning** → Partner with NGOs to lead sustainability campaigns (Oct 2025).
- **Special Education Admissions** → Expand student support services and specialist staff (Aug 2026).
- **Community Engagement & Enrollment** → Build a community-centered engagement & marketing strategy to deepen trust, celebrate alumni, and grow enrollment (2025–26).
- **Educational Outreach** → Take a leadership role in Nigerian education through collaboration with schools, associations, and policymakers (2026).
