

DOLPHIN NEWS

May 10, 2026

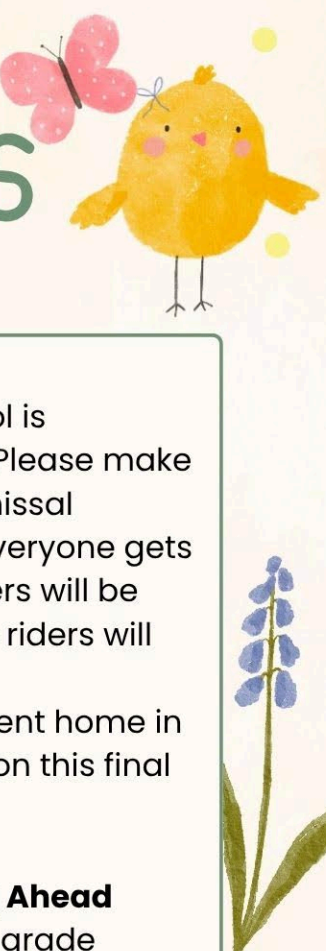

Believe it or not, we have arrived at the last full week of the school year. It has been a joy watching our students grow, learn, and succeed over the past several months. Please note that this will be our final newsletter for the 2025-2026 school year.

Friday

We are ending the year with a splash! Our annual Field Day will take place on the morning of May 15. Afternoon activities will include Kona Ice and Bounce Houses. Thank you PTA for providing the Bounce Houses for our students. If you do not want your child to participate in the bounce house activities, please email Aimee Jakubik at ajakubik@ocss-va.org as soon as possible.

Code Red Drill

As part of Orange County Public School's Emergency preparedness plan, a Code Red Educational Drill will be conducted at Unionville Elementary School this week. As always, the safety of students and staff remains a top priority.

Last Day of School

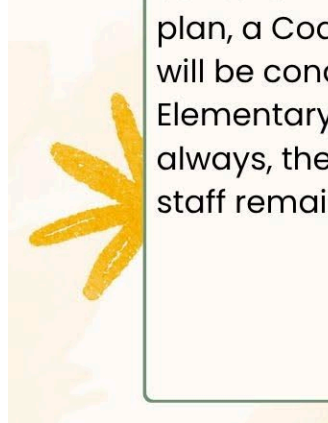

The final day of school is Wednesday, May 20. Please make note of the early dismissal schedule to ensure everyone gets home safely. Car Riders will be dismissed at 1:38, bus riders will be dismissed at 1:50. Report cards will be sent home in your student's folder on this final day.

Moving On & Looking Ahead

To our wonderful 2nd grade students, I am so proud of you! As you transition to Lightfoot Elementary for 3rd grade, I wish you the very best of luck. I know you will do great things!

If your child is signed up for Summer School, I will email information to you the week of May 25.

Thank you for a tremendously successful school year. Your support, involvement, and partnership make our school community what it is. I hope you have a safe, relaxing, and wonderful summer break!

Much Love,
Mrs. Jakubik
