

IB Incoming Student Math Summer Review & Refresher

Based on your results from the Algebra 1 Diagnostic, this assignment has been designed to support areas from Pre-Algebra and/or Algebra I for which you need review to ensure your success in your Pre-IB Math class next year.

This summer assignment is **REQUIRED**.

All assigned work is to be completed by **11:59 pm FRIDAY, 8/7/26**. (This is BEFORE school starts!!!!)

Successful completion of your assignment will count as your first grade.

You will also have an assessment the first week of school similar to the Diagnostic.

We encourage you to complete this assignment with fidelity to ensure you are prepared.

Mrs. Baker will be holding 3 OPTIONAL help sessions over the summer. She will have review centers of all topics from the Diagnostic through which you may choose to work. You will also be given the opportunity to review your Diagnostic results in depth. You may attend as many as you feel necessary, but please email her at bakerdo@pcsb.org within 1 week of the dates you are planning to attend, so she may ensure to have enough materials on hand.

Summer Pre-session Dates – 9am – 11am at Largo High School
