## 2026-2027 BUDGET HIGHLIGHT:

### Safety & Security

#### School Resource Officers

Continued investment in the Somers Central School District's four School Resource Officers, prioritizing the highest levels of safety during each school day.

#### Internet & Device Safety

Ongoing investment in network infrastructure and internet safety helps protect data, strengthen cybersecurity, and ensure reliable access to essential digital tools.

#### School Building Safety

Ongoing commitment to facility upkeep, preventative maintenance, and safety-related upgrades help provide students and staff with secure, well-maintained learning environments.

#### Campus Security

Enhanced access to existing safety and security systems across school facilities including expanded security camera system coverage to support a safer and more secure school environment.
