SENIOR FORMALS INFO

We will be at the school to do formals (tux and drape provided) of every senior on **Thursday, July 23**.

If you are unable to come on this date, you will have to set up a separate time to have your formals done at the studio in Thomson **before** that date due to yearbook deadlines and getting proofs online. Basic retouching (blemishes) as well as submission of your favorite to the yearbook will be done even if you do not order prints. Advanced retouching is an extra charge (i.e. eye enhancements, teeth whitening) and you must contact the studio directly for that. Please be sure to not have distinct "tan lines" - this would fall under the advanced retouching. Boys, please wear a white solid t-shirt and girls may want to wear a camisole that straps can easily be pulled down. Be picture ready when you come! View, purchase, and choose your yearbook image online at the link below- you must "SUBSCRIBE" to get the alert when they are online. If you do not choose by the due date, we will choose for you. Contact us (not the school) immediately if you need a retake. Retakes will be done at the studio within two weeks of the time proofs are online and will cost \$25. Contact Michelle if you have any questions.

We would appreciate everyone's cooperation in not taking pics during the time that your senior sits down for us to photograph them. This is a distraction and takes time away from an already very short amount of time that we have with each student. We look forward to seeing you all!

Please contact us if you are interested in pricing for senior casuals.

Parents- click link below if you did not receive a flyer from your student or an email with link from Photoday!
