Members Absent:

Ms. Andrea Turnbow, Parent Member

Ms. Yaria Dupre'e, Harney Middle School Student

Ms. Tereza Youssef, Support Staff Member

Ms. Sue Thurman, Assistant Principal

Mr. Eric Videau, Assistant Principal

1.0 Welcome & Roll Call: See above for attendance

2.0 Approval of the Minutes ([See Attached](#)) Motion to approve minutes from Mrs. Farnsworth, 2nd from Ms. Dieckhoff

3.0 New Items

3.1 Strategic budget update/TITLE I -Danielson and Bowden ([See Attached](#))

FY 22 projected student enrollment was 1513, yet we are currently at around 1450 students.

FY 23 projected student enrollment is at around 1324, primarily thought to be down due to increase in enrollments at online schools such as NVLA. Funding in the strategic budget and TITLE I budget will be used for increasing teaching positions to bring down class size, provide student supplies, and supplementary programs.

3.2 Safety update and RAPTOR technologies -Medina and Shakespear

Medina - We are making great efforts to improve safety in every aspect of our school. With new RAPTOR technologies, there will be a dedicated computer to take a photo of each visitor and this photo will perform a background check. Things are moving forward with contract approval now completed.

Shakespear - There are a lot of great things about the RAPTOR tech. and what it has to offer, COVID-19 screeners for one. The program is being used at Keller Middle School and Mr. Shakespear will be traveling to Keller MS soon to see the program in action. There is a Crisis Control Monitor system in place for teachers/staff to use with their own cellular phones and/or desktop computers for verification. We look forward to upcoming professional development on RAPTOR coming soon.

3.3 Continuous Improvement Plan -Medina and Kromer ([See Attached](#))

Data was shared of MAP results from Fall 21 to Winter 22 in Math and Reading courses both school wide and in each grade level. Our focus is to increase student growth and proficiency and decrease non-proficiency.

3.4 RTI - Aimsweb Plus testing update -Kromer and Shakespear

Kromer - RTI team making great progress in getting students tested with Aimsweb+. Ms. Hayes and Mrs. Kromer had been pulling remaining students to complete testing, down to only 1-2 in each grade level that needed to finish testing from the original RTI list.

Shakespear - Aimsweb+ has given us the raw data that we needed. However, a new program, Galileo K-12 gives us even more data with interventions for less cost. Galileo K-12 is a teacher friendly tool that will help with RTI and give much needed intervention help while it also offers parent interaction tools. See video for more details. ([Galileo K-12 video shown](#))

4.0 General Discussion

4.1 AGENDA PLANNING. Items for Future Agendas

Talking Points - Shakespear

Sports update - Bowden

Camera update - Medina

Student behavior update requested after addition of new Campus Hall Monitors and teacher retention update
