Wednesday and Thursday
8:25 - 11:25 a.m.

Learning Opportunities

A day at Panther Cub Preschool focuses on the power of play-based learning, creating an environment that fosters a joy of learning and allows every child to flourish socially and academically.

Intentional Play

Teachers carefully design activities to spark curiosity and turn natural moments of discovery into foundational learning milestones.

Classroom Routines

Snack, bathroom, and classroom routines are opportunities for children to practice responsibility and grow their independence.

Outdoor Play and Movement Time

A dynamic environment where children practice motor skills, problem-solving skills, and develop social-emotional skills.

Group Instruction

Through group instruction, students build essential academic readiness skills to prepare them for 4K and beyond.
