

BOE Candidate Profile -- Diana Clough

My name is Diana Clough, and I am proud to be running for the Greenwood Lake Union Free School District Board of Education.

I am a parent of two children currently attending the elementary school (with one heading to middle school next year), and like many families in our community, I care deeply about the quality of education, student well-being, and the future of our district.

I have been actively involved in the community through coaching Greenwood Lake Little League since 2022, and volunteering with the PTSA. These experiences have allowed me to build strong relationships with local families and better understand the needs and priorities of our students and community.

Having grown up in the area, this community means a great deal to me. I truly value the strong sense of connection and support that makes Greenwood Lake special, and I want to contribute in a meaningful way.

I am running for the Board of Education because I believe strong schools are built through clear communication, collaboration, and thoughtful planning. If elected, I will focus on strengthening communication between the school and families, supporting the academic and emotional well-being of students, and helping ensure responsible, forward-thinking decisions for the future of the district.

I would be honored to serve our community and work together to support every student's success.
