Ellicott Preschool is currently enrolling 4 year old students through UPK, and 3 year olds directly through the preschool that meet qualifying factors.

Parents with students moving onto kindergarten next year can register their child online through the district website, or come to the elementary on May 7 for early registration day. There is a screening process for placing students into kindergarten classrooms and you may be required to have your student assessed.

Parent Corner: It is always a good idea to provide children with a quiet area to calm down when they are upset, but it is also just as important for adults to practice self-care and take time for themselves when they feel overwhelmed. In doing this adults can be their best self when caring for children.

Thank you to all the families that participated in our family social events: donuts with dad/muffins with mom, our cultural feast, and growing our own food.

**Preschool end of year Celebration will be on May 20th
in the Middle School Cafeteria**

AM celebrations: 10:00-11:00 AM

PM celebrations: 2:30-3:30 PM

There will be cookies and drinks after the celebration and this will also be a good time to take pictures of your child with their teacher and friends.

This will be a normal school day with students being able to ride the bus if they need to, **and this will also be the last day of preschool for this year.**

We encourage all parents/guardians to attend this event and celebrate with us! Students may go home with their parents/guardians after the celebration.
