May 12, 2026

Dear West Essex School Community,

Thank you to everyone who attended last night's Board of Education meeting and referendum presentation. We appreciate the community's continued interest, engagement, and thoughtful participation as we move forward in this process.

For those who were unable to attend, or for anyone who would like to review the information presented, the referendum presentation slides and a recording of the meeting are now available:

- [Board Meeting Recording](#)

As shared during the presentation, the proposed referendum projects focus on instructional space renovations and additions, infrastructure and HVAC improvements, security enhancements, and upgrades to district facilities. Additional information, updates, and future communications will continue to be posted on the district's [Referendum Page](#) and shared through our district communication channels and social media platforms, including [Facebook](#) and [Instagram](#).

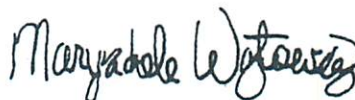

Community questions may also be submitted to [vote@westex.org](mailto:vote@westex.org).

We remain committed to keeping our residents informed as we continue preparing for the November 3 referendum vote, and we thank you for your continued support of our schools and students.

Sincerely,

Damion Macioci  
Superintendent of Schools
