Recordatorio de fin de año: Notificación y documentación de ausencias

Se recuerda a los padres/tutores que, [según la normativa del distrito escolar de Boulder Valley \(BVSD\)](#), las ausencias deben notificarse dentro de las 48 horas posteriores al regreso del estudiante para que se consideren justificadas. Las solicitudes de justificación de ausencias presentadas semanas o meses después no podrán procesarse sin la documentación y la aprobación administrativa correspondientes, y las escuelas no pueden modificar la asistencia retroactivamente una vez transcurrido el plazo establecido.

Entendemos que la asistencia puede influir en el rendimiento académico de los estudiantes; sin embargo, los registros de asistencia deben reflejar con precisión la comunicación y la documentación oportunas. La asistencia se registra en el sistema de información estudiantil y puede afectar ciertos requisitos académicos cuando las ausencias no están justificadas. Por ello, se recomienda a las familias que informen las ausencias con prontitud y se comuniquen directamente con la escuela dentro del plazo establecido para garantizar la documentación y el apoyo adecuados para los estudiantes.

Agradecemos su colaboración para ayudarnos a mantener registros precisos y apoyar el éxito de los estudiantes.
