## About me

I grew up in the Panhandle of Florida and moved to St. Pete around 6 years ago. Here I live with my husband and love it here

This will be my 5<sup>th</sup> year at BVF and my 9<sup>th</sup> year teaching littles. My friends, family, and students mean the world to me and keep me busy. I received my degree in education K-6 and early childhood from the University of Alabama (roll tide). I enjoy learning and growing with the little ones the most.
