ABOUT ME

This will be my 23rd year teaching and my 8th year here at Bay Vista. I received my teaching degree from USF (GO BULLS!) and I also have a masters degree in reading and curriculum.

I have been married to my husband for 20 years and we have 3 kids - a 10th, 7th, and 6th grader. We are a big sports family and spend many evenings around various ball fields and sports outings. Our family loves attending community events and traveling.

We have a dog named Callie and I often share many funny stories about her in class.

I am so excited to get to know all of you as we embark on this 1st grade journey together.
