

Welcome to ART

Hi, I'm Ms. Redd (like the color), and I am proud to be your Art Teacher here at Bay Vista! I have been at Bay Vista for 9 years, and my daughter attended elementary school here as well. I am well-versed in art and fundamental policy. I have been a working artist for decades, with extensive experience across different media. My goal is for your child to explore art, get messy, and be proud of their creations! Feel free to contact me at reda@pcsb.org, and I look forward to creating with your artists.

Art Room Wish List
