Program Activities

English Language Learner (ELL) Support

Students identified by the district as English Language Learners (ELLs) will receive additional supports through a push-in model. In this model, an ENL teacher supports ELL students during content instruction in collaboration with enrichment teachers to provide language acquisition and vocabulary support. The ENL teacher co-plans and co-teaches with our enrichment teachers to provide targeted English language development within the provided curriculum.

STEAM Activities

Hands-on STEAM activities are designed to make ALL students get excited about the world around them. Sample programs include: Makey Makey, Green Screen, Drones, Cubelets Bot Builder, Cosmic Coders, Canva and Video Game Design Bloxels.

Literacy Courses

Students will participate in small groups specifically designed to develop literacy skills and engage students in their learning. Students will have fun as they design and author their own creative works. Sample programs include: Rogue Rodent Mystery, Mo Willems, Mock Trial, Enchanted Steam Fairy Tales, Sweet Treats, Observing Ozobots, Ornithology and Book Creator.

Reading Adventures- Guided Reading

Students will explore a wide variety of texts by participating in small reading groups at their instructional levels and engaging in activities connected to their reading. Using both fiction and nonfiction, students discover how reading expands their understanding of the world. Across all program areas, learning experiences support the goals of the **NY Inspires** and **Portrait of a Graduate** initiatives by fostering communication, collaboration, critical thinking, creativity, and financial literacy through real-world connections.

Field Trips

Field trips are included in tuition and offered to all students. Parents or guardians may opt their child out of any trip. Please note that field trips are for students and staff only; parents may not attend.

Swimming

Full-day students (with parent/guardian permission) will be bused one day a week to the Town of Islip Byron Lake pool. Students not going will join the regular afternoon schedule.

Other Special Events

Students registered for our last session are invited to join the end-of-summer celebrations.

Registration Information

Registration Deadline - June 22, 2026

Counselor-in-Training Program Grades 10-12 in September 2026

Parents can also register their children for the Counselor-in-Training (CIT) Program at this location. This full-day, 6-week, fun and educational opportunity will help students develop leadership skills, gain hands-on experience, and build essential life skills. Participants will assist with activities for younger students, engage in STEM, community service projects, and receive training in financial and digital literacy. They will also enjoy exciting field trips and recreational activities. The program aims to boost confidence, enhance communication and problem-solving abilities, and strengthen teamwork skills, preparing students for future success in school and beyond. Students entering 9th grade who can make the commitment for the entire summer will be invited to participate in the Counselor-in-Training program if the CIT program runs.

CIT 6 Weeks - Full Day	\$1,315
CIT - 6 weeks with extended day AM or PM	\$1,440
CIT - 6 weeks with extended day AM and PM	\$1,560
