Nova High School Grades 9-11 Final Exam Exemption Procedures 2026

Students who fail to comply with these procedures will be required to take all final exams. Deadlines are FIXED and **no late forms will be accepted FOR ANY REASON.**

There are **NO EXAMS for Study Hall or EOC courses (Algebra 1, Geometry, Biology, US History)** therefore exam exemptions are not applicable.

Dual Enrollment courses CANNOT be exempted.

To qualify for an exam exemption, students must have earned a grade of **"B" or higher in each quarter.**

It is the student's responsibility to verify with each teacher that you are still approved to exempt his/her exam and that your grade for the current quarter has not fallen below a "B". **Reminder, if your grade falls below a "B", you must take the exam.**

EXAM EXEMPTION PROCEDURES:

1. Student and parent complete the EXAM EXEMPTION FORMS

2. **Student and parent select up to 3 qualifying courses (do not include Study Hall)** for the EXAM EXEMPTION and select the correct 1st and 2nd Marking Period Grade. Students must have earned a grade of "B" or higher in each quarter to qualify for an exam exemption. See Exam Exemption Flow Chart below to determine exam exemption and final semester grades.

Please note: These are the only combinations that will qualify a student to exempt an exam.
