Commencement Photographs: Lifetouch will photograph each graduate receiving their diploma. Please scan the QR code below to opt-in to view our commencement photos. After seeing the proof, families may choose to order photographs if desired. Our QR code is also available on our website, parent newsletter, and Facebook page.

You will receive a card with your name on it. Please indicate any phonetic spelling (the way your name sounds) if any as this card is for the reader to read off your name at the ceremony.
This card will also have your seat number for the graduation ceremony, so don't lose it.

All graduates will only receive a total of **4** wristbands for admission to the ceremony due to the limited seating in the stadium bleachers. There will be an area around the outside of the field where you can bring your own chair to sit and watch the ceremony.

If a member of your family should need **accessible seating for the graduation ceremony**, please email Ms. Hangartner in Student Services at changartner1@ecasd.us or call 715-852-6603 by Tuesday, May 19th.

There is to be **NO** decorating of the graduation caps!

Diploma pick up: Starting June 22nd in Student Services. You must be in person, and you will need to bring your driver's license or valid ID.

Consider donating your cap and gown back to school for future graduates! These items can be dropped off at school when picking up your diploma.
