2026 Summer Assignments

At Lakeview Academy, we recognize the importance of students having time to rest, recharge, and enjoy their summer break. With that in mind, we strive to maintain a balanced approach to summer work by offering optional practice opportunities in several subject areas while limiting required assignments to essential coursework only.

Outlined below are the courses with required summer assignments, as well as those offering optional enrichment and practice opportunities for Summer 2026. Please note that the assignments listed correspond to the student's rising grade level for the 2026–2027 school year.

Questions? Contact Scott Justus at scott.justus@lakeviewacademy.org

Courses with Required Summer Assignments:

6th-Grade English – [Click Here](#)

Students will select and read one book from a list of grade-level appropriate texts. Students will create a reading journal for their selected text, which is due the first week of school.

Teacher: Gina Tipton (gina.tipton@lakeviewacademy.org)

7th-Grade English – [Click Here](#)

Students will read a book from a list of options, complete a journal, and make book notes.

Teacher: Gina Tipton (gina.tipton@lakeviewacademy.org)

8th-Grade English – [Click Here](#)

Student will read a novel of their choice and complete a reading log for it.

Teacher: Jen Chittaro (jen.chittaro@lakeviewacademy.org)

The reading log is Due August 12, 2026.
