

Rebel Reflections

This past weekend we were able to celebrate our annual Dance Concert. This event was made extra special, as it was a tribute to honor their director, Nicole Robinson. To help celebrate we saw many of our alumni come back and not only support, but also perform along side our students. The finale piece was beautiful in that a vest was used as a symbol to represent being the teacher. What made it more special is that the best was first put on by a former student who became a dance teacher at A.B. Miller later along with Mrs. Robinson. That vest was then handed over to others who that teacher and Mrs. Robinson inspired and are now also dance teachers. The vest was finally passed to a current student to symbolize the passing of knowledge to yet another generation. It was the perfect ending to a great evening of dance. Kudos to Mrs. Robinson, the Conservatory staff and all our dancers. Here's to many more future dance concerts and performances!

This past week we also completed the Language Arts state testing with our Juniors and the Reading i-Ready test with our 9th and 10th grade students. This coming week we will be testing our Juniors with the SBAC Math exam, while our 9th and 10th grade students will complete the i-Ready Math test.

As we head into the last six weeks of the semester, it is imperative that students are in class every day on time. This includes all class periods. This is the time of year when additional summative assessments are done, so it is even more important to have positive attendance every day to every class.

Our last Saturday School is this Saturday, April 25th to help recuperate an attendance day. We will also hold our last Community Service opportunity on a Saturday.

Beginning this past week, we are offering senior families the opportunity to purchase additional tickets to our graduation ceremony scheduled on Wednesday, May 27, 2026 at 1:00 PM at the Toyota Areana in Ontario.

- April 13-24, 2026- Seniors can buy up to 4 additional tickets
- April 27- May 8, 2026- Remaining tickets will be sold using the limits set after Round 1 (based on the number of tickets remaining)
- May 11-27, 2026- Remaining tickets will be sold until all tickets are sold. Non-seniors may purchase tickets.

All tickets will be distributed at our Senior Check-out Day on Tuesday, May 19, 2026.

I am here to serve you and our students. Please let me know if there is anything I can do to help you navigate high school. You are welcome to reach out via phone at (909) 357-5800 extension 10117 or by e-mail at barbara.kelley@fusd.net.

Free Money for College & Career – CalKIDS

Many California students already have free money saved for their future through the CalKIDS program – and most families don't even know it!

What Is CalKIDS?

CalKIDS is a state-funded education savings account automatically created for many California public school students. Funds can be used for:

- College (2-year or 4-year)
- Trade or technical school
- Apprenticeships or career training programs

Do Students Have an Account?

Most students do if they attended a California public school, especially if they qualified for free or reduced-price meals, were McKinney-Vento, in foster care, or English learners.

- Eligible students may receive **\$500–\$1,500** – no repayment required.

How to Check & Use CalKIDS

1. Visit <https://calkids.org>
 2. Use the Student Lookup tool
 3. Create a student account
 4. Transfer funds into a ScholarShare 529
- Use funds after high school for approved education costs

⇒ Counselor Tip: Students should check their CalKIDS account early as part of college and career planning. Questions? Stop by the Counseling Office for help!

Athletic Director's Message

Fontana A.B. Miller High School is one of four member schools that comprise the Mountain Valley League.

A.B. Miller fields teams in 21 boys', girls' and co-educational sports at two to three different levels (Varsity, Junior Varsity, and Freshman).

To participate in a team, each student athlete is required to maintain at least a 2.0 grade point average. To help our student athletes make the academic grades necessary, A.B. Miller runs an academic accountability program for its student athletes. The staff member who developed and oversees the program is responsible for tracking grades, making parent contact, tutoring, and serving as a liaison between student athletes, teachers, and parents.

If you have any athletics questions, please reach out me at pfeimh@fusd.net or call me at (909) 357-5800 ext. 10114.

Michael Pfeiffer Jr.
Athletic Director

AB Miller Athletics will be using **GoFan** for ALL home games for ALL levels (Freshman, JV, and Varsity). Many of our opponents will also be using **GoFan** for away competitions. Please use the QR code below **GoFan** and purchase your tickets.

Drop Off and Pick Up

Students may enter or exit one of two ways in the morning and at the end of the school day.

From the Cypress Avenue Side of Campus, please enter the parking lot from the northern gate near the tennis courts. Proceed to drop your student off and exit the southern gate. This parking lot is for student parking as well and is locked 15 minutes after school begins in the morning and is unlocked 15 minutes before the end of the school day.

From the Oleander Avenue Side of Campus, please use the northbound drop-off. Please do not sit and park in the morning, rather drop off and proceed north towards Highland Avenue to ensure that traffic keeps flowing. Students then need to walk in or out of the campus through the gates between the library and the Q-building (two-story building). This entrance will be open until 8:40 AM.

Students arriving after the gates are closed, need to proceed to the Attendance Office in the Oleander Avenue Parking Lot. Students check themselves in using our electronic pass system in the Attendance Office and quickly proceed to class, to minimize classroom interruptions and your students learning loss.
