

Rebel Reflections

This week we begin our state testing with our Juniors. The will begin with the state Science Test. Testing will take place in our U.S. History classes, as many of our students no longer have science as juniors. Please encourage your junior to give their best effort, as these scores are used to represent our school and are used for course placement for next school year. Our students will take their English Language Arts exam next week (April 13-17) and the week after that is math (April 20-24). I am excited for our juniors to show what they are made of.

Part of my excitement comes from the fact that our juniors have already shown that they are able to perform at a high level. Recently a quarter of the junior class participated in the SAT. Below is a snapshot of their performance, which indicates they outperformed the district average and are on par with the national average.

I am here to serve you and our students. Please let me know if there is anything I can do to help you navigate high school. You are welcome to reach out via phone at (909) 357-5800 extension 10117 or by e-mail at barbara.kelley@fusd.net.

CalKIDS: Free Money Waiting for Your Student's Future

Many California families are surprised to learn that their student may already have free money set aside for college or career training through a state program called CalKIDS (California Kids Investment and Development Savings Program). This program was created by the State of California to help students – especially those from low-income families – pay for education after high school, and millions of students are eligible.

CalKIDS automatically creates scholarship accounts for eligible students and deposits money directly into those accounts. Students may qualify if they attended a California public school and were identified as low income or English Learners, or if they were born in California on or after July 1, 2022. Depending on eligibility, students may have \$500 or more waiting for them, and some students – including foster youth or students experiencing homelessness – may qualify for additional funds.

While the money is automatically deposited, families must claim the account in order to access the funds. Claiming the account is free and only takes a few minutes online. Families will need basic information such as the student's Statewide Student Identifier (SSID) or a CalKIDS code that may have been mailed home. Once claimed, the funds remain available for the student when they enroll in an eligible college, university, community college, or career training program anywhere in the country.

CalKIDS funds can be used for many education-related expenses, including tuition, fees, books, supplies, and required equipment. When the student is ready to use the money, the funds are sent directly to the college or training institution on the student's behalf.

Families are encouraged to check eligibility even if they are unsure. Many students have money waiting and do not realize it. Claiming a CalKIDS account does not affect financial aid eligibility and does not require repayment – it is an investment by the State of California in your child's future.

To learn more or to see if your student has funds waiting, families can visit **www.calkids.org** and follow the steps to confirm eligibility and claim their account.

Upcoming Events

- April 6 – Boys Golf vs. Rialto High School starting at 3:00 PM
- April 6 – Varsity Baseball @ Rancho Verde High School starting at 3:15 PM
- April 6 – JV Baseball vs. Rancho Verde High School starting at 3:45 PM
- April 6 – Varsity Softball vs. Pacific High School starting at 3:45 PM
- April 8 – Boys Volleyball vs. Rialto High School starting at 3:45 PM
- April 8 – Boys Tennis vs. San Bernardino High School starting at 3:45 PM
- April 9 – Track and Field vs. Indian Springs High School starting at 3:45 PM
- April 10 – Varsity Baseball vs. Entrepreneur High School starting at 3:45 PM
- April 10 – Varsity Softball vs. Entrepreneur High School starting at 3:45 PM
- April 10 – Varsity Boys Volleyball vs. Public Safety Academy starting at 3:45 PM
- April 10 – Boys Tennis vs. Indian Springs High School starting at 3:45 PM
- April 11 – Prom @ the Riverside Auditorium starting at 7 PM through 11 PM

Athletic Director's Message

Fontana A.B. Miller High School is one of four member schools that comprise the Mountain Valley League.

A.B. Miller fields teams in 21 boys', girls' and co-educational sports at two to three different levels (Varsity, Junior Varsity, and Freshman).

To participate in a team, each student athlete is required to maintain at least a 2.0 grade point average. To help our student athletes make the academic grades necessary, A.B. Miller runs an academic accountability program for its student athletes. The staff member who developed and oversees the program is responsible for tracking grades, making parent contact, tutoring, and serving as a liaison between student athletes, teachers, and parents.

If you have any athletics questions, please reach out me at pfeimh@fusd.net or call me at (909) 357-5800 ext. 10114.

Michael Pfeiffer Jr.
Athletic Director

AB Miller Athletics will be using **GoFan** for ALL home games for ALL levels (Freshman, JV, and Varsity). Many of our opponents will also be using **GoFan** for away competitions. Please use the QR code below **GoFan** and purchase your tickets.

Drop Off and Pick Up

Students may enter or exit one of two ways in the morning and at the end of the school day.

From the Cypress Avenue Side of Campus, please enter the parking lot from the northern gate near the tennis courts. Proceed to drop your student off and exit the southern gate. This parking lot is for student parking as well and is locked 15 minutes after school begins in the morning and is unlocked 15 minutes before the end of the school day.

From the Oleander Avenue Side of Campus, please use the northbound drop-off. Please do not sit and park in the morning, rather drop off and proceed north towards Highland Avenue to ensure that traffic keeps flowing. Students then need to walk in or out of the campus through the gates between the library and the Q-building (two-story building). This entrance will be open until 8:40 AM.

Students arriving after the gates are closed, need to proceed to the Attendance Office in the Oleander Avenue Parking Lot. Students check themselves in using our electronic pass system in the Attendance Office and quickly proceed to class, to minimize classroom interruptions and your students learning loss.
