

Rebel Reflections

Happy Mother's Day to our all our Rebel Mothers! I hope that you were able to enjoy a day with your families today.

This will mark the final full week of schooling for our seniors. As a reminder our seniors last day of regular attendance is Monday, May 18, 2026. By the end of that day all seniors need to have all of their needed courses passed and this includes students completing any APEX courses needed to earn a high school diploma or to help maintain their A-G eligibility/college admission. Please be vigilant with student grades this week by checking Q. It is also important that all students have positive attendance heading into these final days of high school.
