

Rebel Reflections

This past week had a lot of action going on for our Rebels. The week started off with our Juniors working on the first of three state assessments. Each of our juniors participated in the CAST (California Science Test). Beginning this coming week our Juniors will start the first of two Smarter Balance Assessments – Language Arts. Each student will be tested with their English teacher. This is an untimed test and it is important that all students do their best work. At the same time our freshmen and sophomores will be taking the end of the year i-Ready exam. This week will be reading. The i-Ready assessment gives us a snapshot of their reading ability.

This week our athletic team has found much success. Our Baseball, Softball, and Boys Volleyball teams are currently at the top of the Mountain Valley League. Our Girls and Boys Track and Field team just had their first meet and our students did well and set their baseline for the season. Our Boys Tennis team played a strong match this week, as well as our Boys Golf are showing out on the golf course. We are super excited about all our athletic teams!

As a reminder, this coming week, we are hosting our first of two Spring Sports Physicals. Please refer to the post on Parent Square to reserve your space. This is a great way to ensure you are eligible for tryouts and summer conditioning for our fall sports. Beginning April 15th our students will begin auditioning for the Cheer Team for 2026-2027. All students must have a valid Home Campus account for 2026-2027, along with a valid sports physical.

This past week our AVID Sophomores hosted the 2026 College Fair. At this event our students showcase their knowledge of their assigned university to their peers and to the Wayne Ruble AVID students. My favorite is when the college recruiters are there and defer to our students, as they truly know the university they are assigned as if they worked there. Thank you to our Sophomore AVID team for organizing this for our campus!

Lastly, we held Prom this past Saturday. The students looked absolutely stunning and we all had a great time. As principal, I was humbled when the several of the venue staff, shared that they would love to host my students every weekend, as they were so polite, cleaned up after themselves, and were just truly nice young men and women. As you can tell, this made me beam with pride. Kudos to Mrs. Gutierrez and our Junior Class Officers on organizing such a wonderful evening for us all.

This week I will be hosting Coffee with the Principal on Monday, April 13th at 9:00 AM in P-3. If you are unable to attend in person, please feel free to join us online using the following link:

<https://teams.microsoft.com/meet/22125465404447?p=Qzh4rEeXjGwDTVvSr4>

I am here to serve you and our students. Please let me know if there is anything I can do to help you navigate high school. You are welcome to reach out via phone at (909) 357-5800 extension 10117 or by e-mail at barbara.kelley@fusd.net.

Finishing Strong: One Step at a Time

As we move into the final weeks of the semester, it's natural for energy to dip and stress to rise. Long-term projects, exams, and packed schedules can feel overwhelming – but this is also the moment when perseverance matters most. Each assignment completed, each class attended, and each effort made brings you one step closer to the finish line.

Remember, progress doesn't require perfection – just consistency. Break tasks into manageable pieces, ask for help when needed, and stay focused on your goals. For our seniors, this stretch leads to graduation. For underclassmen, it builds habits that carry forward. Every Rebel's journey is important.

Keep your eyes on the prize and trust that the hard work you put in now will pay off. We believe in you – let's finish the semester strong, together.

Upcoming Events

- April 13 – Coffee with the Principal starting at 9:00 AM in Portable 3 or on TEAMS (Link on Page 1)
- April 13 – Spring Sports Physical starting at 3:30 PM in P-11

- April 17 – Boys Volleyball vs. Indian Springs High School starting at 3:45 PM
- April 17 – Movement and Sounds 2026: 30 Year Retrospective starting at 7:00 PM
- April 18 – Movement and Sounds 2026: 30 Year Retrospective starting at 7:00 PM

Athletic Director's Message

Fontana A.B. Miller High School is one of four member schools that comprise the Mountain Valley League.

A.B. Miller fields teams in 21 boys', girls' and co-educational sports at two to three different levels (Varsity, Junior Varsity, and Freshman).

To participate in a team, each student athlete is required to maintain at least a 2.0 grade point average. To help our student athletes make the academic grades necessary, A.B. Miller runs an academic accountability program for its student athletes. The staff member who developed and oversees the program is responsible for tracking grades, making parent contact, tutoring, and serving as a liaison between student athletes, teachers, and parents.

If you have any athletics questions, please reach out me at pfeimh@fusd.net or call me at (909) 357-5800 ext. 10114.

Michael Pfeiffer Jr.
Athletic Director

AB Miller Athletics will be using **GoFan** for ALL home games for ALL levels (Freshman, JV, and Varsity). Many of our opponents will also be using **GoFan** for away competitions. Please use the QR code below **GoFan** and purchase your tickets.

Drop Off and Pick Up

Students may enter or exit one of two ways in the morning and at the end of the school day.

From the Cypress Avenue Side of Campus, please enter the parking lot from the northern gate near the tennis courts. Proceed to drop your student off and exit the southern gate. This parking lot is for student parking as well and is locked 15 minutes after school begins in the morning and is unlocked 15 minutes before the end of the school day.

From the Oleander Avenue Side of Campus, please use the northbound drop-off. Please do not sit and park in the morning, rather drop off and proceed north towards Highland Avenue to ensure that traffic keeps flowing. Students then need to walk in or out of the campus through the gates between the library and the Q-building (two-story building). This entrance will be open until 8:40 AM.

Students arriving after the gates are closed, need to proceed to the Attendance Office in the Oleander Avenue Parking Lot. Students check themselves in using our electronic pass system in the Attendance Office and quickly proceed to class, to minimize classroom interruptions and your students learning loss.
