

**MEMORANDUM OF UNDERSTANDING #25-26-15
PILOT PROGRAM between the
FOLSOM CORDOVA UNIFIED SCHOOL DISTRICT
and the
FOLSOM CORDOVA EDUCATION ASSOCIATION**

**Collaboration Time for Special Education Preschool
April 15, 2026**

The Folsom Cordova Unified School District (“District”) and Folsom Cordova Education Association (FCEA) enter this Memorandum of Understanding (“MOU”)

A. BACKGROUND

Special education preschool teachers communicated a desire to participate in collaboration time as well as monthly staff meetings at their elementary campuses. The goal of collaboration time is to improve teaching effectiveness and increase learner achievement. Through collaborative teams [e.g. grade level teams and Professional Learning Teams (PLT), pre-school job alike within and across elementary school triads], educators will have the opportunity during the workday to engage in activities such as reviewing assessment data, planning units, collaborating on projects and common assessments.

The goals of this MOU are to 1) enable the District's preschool bargaining unit members to have the necessary time to engage in collaborative teams; and 2) enable participation in school staff meetings.

B. AGREEMENT

1. School sites will have one day per month of student non-attendance for each AM class and each PM class on the first instructional Thursday of each month, except August, which will fall on another Thursday.
2. 2025/2026 Bell Schedule
 - a. Currently, preschoolers attend school: 150 min x 180 days = 27,000 min/year. One session per month (10 months) for Collaboration Time/Staff meetings, this is a reduction of 1,500 min per year. To compensate for those minutes, 27,000 min/170 days = 159 min/day. This is an increase of 9 min/day per session, each regular school day.
 - b. The Pilot bell schedule shall be:
 - **AM: 8:15-10:54**
 - **PM: 12:06-2:45**
 - c. The 72 minutes between the two sessions are used for lunches and prep time.

3. Site Principals and District Leadership will work with their preschool teachers to organize, structure, and facilitate Collaboration Time to meet the needs of school site students.
 - a. Collaboration Time in preschool will be used to support planning curriculum, planning to meet the social and emotional needs of students, assessment, planning for intervention strategies, data analysis, and professional learning.
 - b. Site Principals with only one preschool program will foster online or in-person partnerships with other site preschool programs to participate in PLCs during their common planning time.
 - c. During August, a collaboration planning meeting will be held at the ESC or other district location to coordinate Preschool Collaboration Time.
4. Site Principals will make every reasonable effort to hold a monthly faculty meeting on the days set forth in B.2. above.
 - a. Should a faculty meeting occur on a date not set forth in B.2., the preschool teacher shall receive a substitute in order to attend the faculty meeting.
 - b. Should the preschool teacher not be able to attend, the teacher will receive a summary of what occurred at the faculty meeting.
5. All provisions of this Pilot Program are subject to the negotiated grievance procedure in the CBA.
6. All components of the Parties' current CBA not in conflict with this MOU shall remain in full effect.
7. This MOU shall remain in full force and effective through June 30, 2027. Upon mutual agreement, this MOU will move into the CBA.
