FOR IMMEDIATE RELEASE:

Lafayette School Corporation names Beth McAuliffe Director of Health Services

The Lafayette School Corporation has named Beth McAuliffe its new Director of Health Services.

McAuliffe is a 1995 graduate of Jefferson High School. She earned her licensed practical nurse certificate from J. Everett Light Indianapolis, her associate of science in nursing from Ivy Tech and will graduate from Indiana University with her bachelor's of science in nursing in December.

She has extensive experience in health care settings, including working in adult medical/surgical, oncology, wound care and hospice. She has worked for LSC for 14 years and is currently the head nurse at Earhart Elementary School.

McAuliffe will oversee all health services for the corporation, including leadership and program administration, staffing and supervising building health staff, clinical oversight, health education and prevention programming, training and support services, operations, and compliance/regulatory oversight.

She and her husband, Shaun, have three daughters, Elise, Grace and Amelia, who are all graduates of Jefferson High School.

McAuliffe will assume her new duties July 1, 2026.
