Principally Speaking

As spring has arrived and we entered “Daylight Savings Time” we began the last semester of classes at ALK for this 2025-26 school year. This is an exciting time of the year because we look forward to our Earth Day Celebrations, Memorial Day programs and our yearly Pre-Kindergarten, Kindergarten and eighth grade commencement programs. Students look forward to both awards day and promotion day to reflect upon events of the past year as they gaze toward the challenges and change for the upcoming school year.

The links with the community of Guttenberg are very important to us at the Anna L. Klein School. We are meeting with Pre-Kindergarten providers and teachers to discuss and schedule the transition process for the youngest of our Guttenberg children to ensure a seamless transition to Kindergarten as well as preparing for new Pre-Kindergarten students. In addition, our early childhood process also includes the yearly registration, coordination, and testing for our 2026-2027 Kindergarten classes.

Our final community activity will be the Memorial Day festivities that accompany this holiday every year. These festivities will conclude on May 25, 2026, at the Veteran’s Memorial on Boulevard East where ceremonies will take place.

Finally, we would like to inform our parents and the community of Guttenberg about important activities taking place at Anna L. Klein School in June 2026:
