Commencement Ceremony

We will announce the date of our graduation ceremony in February once it is confirmed with the venue. Watch for details in the Cambridge Headlines, the parent newsletter, social media, and our website under Students and Families > Seniors and Graduation.

Yearbook *All dates are tentative*

- Senior portrait with Legacy Studios deadline: November 15
- Senior Ad deadline: November 15
- Senior Quotes deadline: Late January – *one submission per senior*

Senior Portraits – Legacy Studios

Sessions can be booked at Legacy Studios throughout the summer – dates are on the Legacy scheduler. Sessions can also be booked [here at Cambridge!](#)

Cambridge setting dates:

- June 17 – 18, 8:30 am – 5:00 pm, Cafeteria
- July 22 – 23, 8:30 am – 5:00 pm, Cafeteria

Legacy Studio dates: *See scheduler*

Sitting fees: Start at the \$25 refundable level (the only sitting that's refundable) and go up to \$80 based on the amount of time and outfit changes. For more information, see the attached flyer from Legacy Studios.

Schedule a senior appointment:

Visit the Legacy Studios website at seniors.legacystudios.com.

Parking

Senior applications will open after July 1. Communications to Senior families will be sent from Cambridge High School, and information will be posted to www.cambridgehs.org when applications open.

- Parking is \$100 for the year.
- Seniors must have a parking permit to park on campus, and parking is only allowed in the designated student parking areas.
- Parking is a privilege that can be revoked for violating the Cambridge Parking Rules and Requirements. Make sure seniors and parents review these requirements when completing the parking application.

Communications

A lot of information will be available throughout the year for seniors and their families, including due dates, action items, and graduation information. Both seniors and their parents must stay connected and read the information pushed to them. Senior information will be made available through the following:

- Student daily announcements (Cambridge Headlines) – sent each day to student FCS email address.
- Weekly parent newsletter from Cambridge High School
- Our website – www.CambridgeHS.org – *Seniors and Graduation page*

Communications from Cambridge High School are sent to the guardian's emails in Infinite Campus. Please make sure you have valid email addresses in Infinite Campus. Your information can be updated in Infinite Campus. For instructions, visit our website: CambridgeHS.org > Students & Families > Resources > Updating Parent and Student Information.

If you do not currently receive emails from Cambridge High School, or if you have unsubscribed from any Fulton County Schools emails and would like to be reinstated, please contact Carol Bybee at bybeec@fultonschools.org.

College and Career

- Cambridge Counselors will host a senior and senior parent meeting in late August to discuss college admissions, the process, and procedures.
- *Summer is a great time to start college essays!* The Common App (used to apply to many colleges) has a prompt to help with essay writing. Go to [Commonapp.org](https://commonapp.org) to create an account and look for the Essay Prompts.
- Transcripts:
 - Official transcripts for college admission will not be available until after Labor Day.
 - Colleges with priority application dates will accept the unofficial student copy from Infinite Campus.
- Research and visit colleges and post-secondary options this summer. Finalize a college list or plans for after high school. It may be work, technical college, apprenticeship, or military. Schoollinks in Classlink is a great resource to use for researching options.
- Create an account in gafutures.org to track HOPE and Zell Miller Scholarship GPA and apply for these scholarships.
- Start or update your extracurricular activities and awards list to be ready for college applications. In September, seniors will be asked to complete the "Senior Bio" by their counselor.
- Personal Fitness Waivers need to be submitted as soon as possible. The waiver is not automatic for marching band, eligible PE classes, or athletics. The Person Fitness Waiver in Bridge West and at CambridgeHS.org > Academics > Course Offerings > Health and PE > [Personal Fitness Waiver](#). Failure to submit the waiver (if qualified) will result in the senior taking the PE class in person.
