#### Frequently Asked Questions:

- ❖ Due to contractual obligations with our publisher, the Senior Pages must be complete for print by OCTOBER 26. Text and photos will need to be submitted prior to this date for inclusion.
- ❖ To meet the deadline, the Senior Portrait is best taken over the summer, though it does not have to be done professionally. \*\*Another (pre-existing) youth photo will be requested as soon as the new yearbook staff meets in August to decide on Senior Page design as it relates to theme - for example, a baby photo.
- ❖ Submission: Color or B&W - Digital (preferable) – **5 x 7 .jpg at 300 dpi minimum.**
- ❖ Hard Copy - 5 x 7, high resolution. Photographers (or you) can email high resolution images to [dframe1@ehshouston.org](mailto:dframe1@ehshouston.org).
- ❖ **High resolution images in digital form are highly encouraged. Low rez will pixelate and look bad.**

**Seniors complete the written portion of the Senior Page through Word Documents via email.**

Despite our conscientious efforts to ensure that your Tribute Page and Senior Page comply with your requests, we regret that errors occasionally occur; once the yearbook has been produced, it is not possible for the company to reprint entire books, but we can reprint a corrected page for insertion.

### **Extra Yearbook Sales**

Every student receives a copy of the yearbook. Additional copies of *The Hexagon* can be purchased for \$200. This is an extra copy for you or other family members. Producing a 525+ page yearbook is an enormous endeavor that involves many stages of proofreading and re-checking of details.
