

A stylized blue ram head logo is positioned in the background, facing right. It features a large, curved horn on the left side and a smaller, curved horn on the right side. The ram's eye is depicted with three white, curved lines. The entire logo is rendered in a solid blue color.

Senior Tribute Guide

How To Create a Tribute Page

Option 1: Purchase and create through EHS.

Submit your tribute OR choose a non-interactive template and provide photos that fit the number and orientations and submit to Mr. Framel OR come see us in Crain-Galloway 201 to sit down with a staffer.

Option 2: Purchase and create through Jostens.

Work independently on your tribute through the publisher's website.

SELECTING YOUR PHOTOS

The yearbook publishing company's margins for a full-page are
8 x 10 – NOT 8.5 x 11

Black and white photos are acceptable, but all yearbook pages are color. High resolution images please. Cell phone photos and low-res scans do not look good on the pages.

The staff encourages the submission of clear quality photos to ensure an optimal tribute space.

Photos and text can be dropped off at the Convent foyer or emailed to Mr. Framel.

***We will offer a one-time .pdf proof of your tribute to your email address(es) for approval. Contact us with changes within one week of this email or the tribute will go to print as is.**

Prices:

Full Page - \$500	(8"W x 10"H)
Half Page - \$275	(8" x 5")
Quarter Page - \$175	(4" x 5")
Eighth Page - \$80	(4" x 2.5")
