

Hillsdale Local Schools Parent/Teacher/Student Title I Reading Compact

Title I is a federally funded government program which provides children with supplemental instruction in order to meet the Ohio Learning Standards in Reading, Language Arts, and Writing. We want the children who attend to find the experience a rewarding one; which will help them acquire skills they have missed and build their self-confidence in their ability to read and write. Through Title I, the district provides opportunities for those children to meet the challenging content and performance standards developed by the state for all children.

Parents, teachers, and students need to work together to take full advantage of these opportunities. We promise to do so, by completing and signing the part of the agreement that belongs to each of us.
