2026 Summer Program

Getting Ready for Grade 10

Getting Ready for Grade 10 is a summer learning opportunity designed to help students restore credit towards their high school graduation requirements.

What are the courses being offered?

- **Getting Ready for Fall of 2026 Grade 10:** Geometry A and/or B Credit Recovery (In-Person)
- **Getting Ready for Fall of 2026 Grade 10:** English Language Arts 9 A and/or B Credit Recovery (In-Person)
- **Getting Ready for Fall of 2026 Grade 10:** Hybrid Credit Recovery A and/or B Courses

Credit Recovery:

- Students must earn a minimum overall score of 60% to receive a letter grade and credit for the course. The overall course grade is based on 80% of the course work and 20% of the final exam.
- Students will earn a letter grade that corresponds to the UCS grading policy for the online course. [Policy 6210 Electronic Course Credit](#). The letter grade will be reflected on the student's high school transcript, class rank and GPA points.
- Online courses for NCAA eligibility will be available upon request.
- Be sure to contact your counselor prior to signing up for summer school.

Hybrid Course Expectations:

- Students must attend 1 full in-person orientation session with their mentor teacher to receive login information and program expectations.
- Students will need to attend summer sessions to complete quizzes, tests and final exams associated with the course.
- No Extensions will be given for courses not completed by the July 24, 2026, deadline.
- It is highly recommended that students plan to attend summer sessions 3-5 days a week to successfully complete course work.
