

HIGH SCHOOL DIPLOMA PROGRAM

Is your goal to earn a high school diploma or a high school equivalency credential? Are you seeking a higher paying job and need to build your skills? Do you want to pursue higher education, attain a career certificate or enter a community college? We can help you meet your goals with our FREE High School Diploma or GED Test Preparation programs. Additionally, Simi Institute students have access to our free Job & Career Center for help with resumé writing, interview preparation, job searches, and much more.

ADULT HIGH SCHOOL DIPLOMA

Classes are online and self-paced with students completing one class at a time.

The number of credits to earn a diploma may be reduced by completing specific classes and passing the GED exam.

For a free credit evaluation, register on our website and submit your transcripts in the Google Form: tinyurl.com/sice-ase

GED TEST PREPARATION

The GED Test Preparation study program is self-paced with online classes and teacher support as needed.

The free official GED practice tests are included in our study program.

Simi Institute for Careers & Education is an official testing facility for GED Testing Service. Private testing is available for our students with extended test center hours.
