

meet your AIG Teacher

Mrs. Miller

All About Mrs. Miller

Born and raised in Asheville, North Carolina, I ventured off to college to **UNC-Greensboro** where I received my Bachelor's in Elementary Education.

After a few years of teaching, I continued my education at **Gardner-Webb University** to earn my Master's in Curriculum & Instruction.

Then, I got my Academically & Intellectually Gifted (AIG) certification from **High Point University**.

This will be my 17th year teaching and 2nd as an AIG Specialist.

My husband, Jeremy, works at **Oak Grove High School** as the Athletic Trainer. We have two daughters; Olivia (10 years old) & Aria (7 years old), & a sweet lab dog named Ella.

When I'm not driving Olivia to dance competitions or Aria to soccer practice, you can find me reading, crafting, or napping. I volunteer for a teacher organization called "**Get Your Teach On**" (**GYTO**) that lets me travel all over the U.S. We also like to attend Oak Grove games. Go Grizzlies! 🐻❤️

What I do...

Most weeks I will spend Monday thru Wednesday at Midway Elementary, then Thursday & Friday at Hasty Elementary.

I will have 4th & 5th grade AIG identified small groups in ELA & Math. I will "nurture" potential AIG students in other grade levels. I also administer AIG testing.
