

**ST. MARY'S COUNTY PUBLIC SCHOOLS
SUPERVISORS AND ADMINISTRATORS POSITION DESCRIPTION**

**SUPERVISOR OF INSTRUCTION – CAREER AND TECHNOLOGY
EDUCATION (CTE)**

POSITION: Supervisor of Instruction – Career and Technology Education (CTE)

REPORTS TO: Director of Curriculum and Instruction

LOCATION: Department of Curriculum and Instruction

NATURE OF WORK:

This position provides leadership in the development and implementation of curriculum and instruction related to specific subject, content, and grade levels. The supervisor is responsible for assisting site administrators and teachers in articulating instructional practices at the school level, as well as providing instructional supports for staff and students to include instructional materials and methods. The supervisor must demonstrate effective administrative skills, communication skills, organizational skills, problem-solving and decision-making skills. This position requires the ability to travel to various sites, ability to observe and provide evaluative feedback regarding instruction, effective and efficient use of technology, and participation in on-going professional development. Must be willing and able to support and carry out all Board of Education policies and procedures.

ESSENTIAL FUNCTIONS:

- Ability to professionally relate to and collaborate with co-workers, students, and community members
- Ability to understand and maintain confidentiality
- Ability to use technology effectively to complete tasks
- Ability to report to work daily and on time
- Ability to organize, supervise, coordinate and establish priorities of tasks to be completed
- Ability to work independently in the absence of detailed instructions and to follow complex oral and/or written instructions
- Ability to communicate courteously and tactfully with staff, students, parents, and the community in a timely manner
- Ability to work under pressure
- Ability to oversee and provide direction to the designed department (personnel support for certificated and non-certificated employees)
- Ability to plan and implement short and long-range objectives which relate to the departmental and system-wide objectives
- Ability to lead, support the staff, and communicate professionally and effectively with internal and external stockholders
- Ability to exhibit a personality that demonstrates enthusiasm, and interpersonal skills to relate well with students, staff, administration, parents, colleagues, and the community
- Ability to demonstrate excellent leadership and organizational skills and the ability to motivate people and facilitate productive academic/organizational change
- Possess excellent time management skills and the ability to take initiative and make decisions within assigned responsibility in a challenging, fast-paced professional environment and be flexible in work responsibilities and hours
- Possess thorough knowledge of applicable Maryland laws, State Board of Education rules and regulations, Board of Education policies and regulations, regulations and procedures, and

contractual obligations

- Possess knowledge of the programs, policies, and procedures of the St. Mary's County Public School

DUTIES AND RESPONSIBILITIES:

The supervisor will be responsible for performing the duties as described below. Additional responsibilities may be assigned by the Director of Curriculum and Instruction.

Program Planning and Development

- Participates in identifying and assessing the curricular and instructional needs of students, community, and school system; reviews and develops local assessments
- Helps to develop system instructional goals, objectives, and plans
- Works with appropriate staff to plan strategies to achieve student success in identified outcomes
- Sets focus of curriculum by being knowledgeable about current trends in the area(s) of responsibility
- Assists in coordinating school programs with appropriate local, state, and federal programs and/or regulations
- Stays current on matters related to federal, state, and local curriculum, content, objectives, policies, regulations, and procedures
- Compiles data from various sources and analyze data to make informed decisions related to the curriculum, instructional program, and staff professional development

Personnel Management and Services

- Assists in interviewing and assigning instructional personnel as needed
- Plans and implements system-wide orientation for appropriate personnel
- Establishes effective working relationships with instructional personnel
- Participates in teacher observations and conferences with teachers to promote professional growth
- Serves as a resource to administrators and instructional staff to promote continuous school improvement
- Develops and conducts professional development to strengthen present programs and/or to initiate new programs

Administration

- Plans, conducts, and/or participates in professional development and meetings
- Schedules and coordinates the services of other system personnel and outside partners and consultants
- Represents the system at state and local meetings and conferences to give and receive instructional and curricular information
- Facilitates meetings, workshops, and seminars both during the regularly scheduled work day and/or evening and weekend events
- Plans, develops and coordinates the publication of curricular materials

Procuring and Allocating Resources

- Assists in the identification and procurement of grant funding
- Reviews instructional budget requests from schools
- Assists in preparation of the instructional budget
- Tracks and maintains an accurate accounting of allocated budgets at all times
- Coordinates evaluation and selection of instructional material and equipment
- Assists in the preparation of bid lists for material and equipment
- Reviews and controls as appropriate the expenditures of allocated funds

Community - Public Relations

- Assists in informing the public concerning assigned areas(s) of instruction
- Assists in establishing procedures as appropriate for soliciting, receiving, assessing, and acting upon community comments/suggestions
- Assists in the preparation of material for public information and awareness

Interacting and Articulating within the School System

- Receives and transmits communications related to policies, procedures, programs, and operations within the school system
- Interacts in committees to help develop curricula; proposes and clarifies policies and procedures; establishes goals, objectives, and beliefs; receives information; and plans strategies
- Participates in committees, meetings, and other partnership activities as required

Evaluating Programs and Personnel

- Performs a continuous evaluation of programs and participates in special evaluations
- Assists principals in the formal and informal observation and evaluation of instructional personnel

Leadership in Interpersonal Relations

- Demonstrates strong public relation skills when dealing with students, parents, and the community
- Interacts with school personnel in a manner which fosters instructional improvement
- Serves as a mediator in resolving conflicts
- Demonstrates positive human relations skills

QUALIFICATIONS:

Required:

- Master's degree
- Possess an Advanced Professional Certificate with certification in Career and Technology Education (CTE)
- Administrator I endorsement
- Five (5) years of successful teaching experience in CTE
- Must possess a valid driver's license with no more than four (4) Maryland current points. The applicant must not be convicted, pleaded guilty or nolo contendere, or received a probation before judgment or stet docket entry for any alcohol or controlled substances offense under federal or state law for a minimum of five (5) years prior to the use of a Board-owned vehicle. (Board Policy EEBA)

TERM OF EMPLOYMENT:

SUPERVISORS AND ADMINISTRATORS POSITION DESCRIPTION**

SUPERVISOR OF INSTRUCTION – EMPHASIS IN WORLD LANGUAGES/ELL FY26

POSITION: Supervisor of Instruction – Emphasis in World Languages/ELL

REPORTS TO: Director of Curriculum and Instruction

LOCATION: Department of Curriculum and Instruction

NATURE OF WORK:

The supervisor will be responsible for World Languages and programs for English Language Learners (ELL). This includes performing the duties as described below. Additional responsibilities may be assigned by the Director of Curriculum and Instruction. This position provides leadership in the development and implementation of curriculum and instruction related to specific subject, content, and grade levels. The supervisor is responsible for assisting site administrators and teachers in articulating instructional practices at the school level, as well as providing instructional supports for staff and students to include instructional materials and methods. The supervisor must demonstrate effective administrative skills, communication skills, organizational skills, problem-solving and decision-making skills. This position requires the ability to travel to various sites, ability to observe and provide evaluative feedback regarding instruction, effective and efficient use of technology, and participation in on-going professional development. Must be willing and able to support and carry out all Board of Education policies and procedures.

ESSENTIAL FUNCTIONS:

- Ability to professionally relate to and collaborate with co-workers, students, and community members
- Ability to understand and maintain confidentiality
- Ability to use technology effectively to complete tasks
- Ability to report to work daily and on time
- Ability to organize, supervise, coordinate and establish priorities of tasks to be completed
- Ability to work independently in the absence of detailed instructions and to follow complex oral and/or written instructions
- Ability to communicate courteously and tactfully with staff, students, parents, and the community in a timely manner
- Ability to work under pressure
- Ability to oversee and provide direction to the designed department (personnel support for certificated and non-certificated employees)
- Ability to plan and implement short and long-range objectives which relate to the departmental and system-wide objectives
- Ability to lead, support the staff, and communicate professionally and effectively with internal and external stockholders
- Ability to exhibit a personality that demonstrates enthusiasm, and interpersonal skills to relate well with students, staff, administration, parents, colleagues, and the community
- Ability to demonstrate excellent leadership and organizational skills and the ability to motivate people and facilitate productive academic/organizational change
- Possess thorough knowledge of applicable Maryland laws, State Board of Education rules and regulations, Board of Education policies and regulations, regulations and procedures, and contractual obligations
- Possess excellent time management skills and the ability to take initiative and make decisions within assigned responsibility in a challenging, fast-paced professional environment and be flexible in work responsibilities and hours

- Possess knowledge of the programs, policies, and procedures of the St. Mary's County Public School
- Ability to comply with financial, legal, and administrative processes, policies, and regulations
- Ability to serve as a positive representative of SMCPs at all times
- Ability to interview, observe, evaluate, train and supervise staff
- Ability to stay current on matters related to federal, state, and local curriculum, content, objectives, policies, regulations, and procedures
- Ability to present information verbally, in writing, and through presentations in a professional, clear, and concise manner
- Ability to respond to issues and inquiries from internal and external parties
- Ability to maintain a clean and clear driver's license and ability to operate a Board vehicle
- Ability to perform work in an office setting as well as remotely from school buildings
- Ability to attend meetings as requested

DUTIES AND RESPONSIBILITIES:

Program Planning and Development

- Participates in identifying and assessing the curricular and instructional needs of students, community, and school system; reviews and develops local assessments
- Helps to develop system instructional goals, objectives, and plans
- Compiles data from various sources and analyze data to make informed decisions related to the curriculum, instructional program, and staff professional development
- Works with appropriate staff to plan strategies to achieve student success in identified outcomes
- Sets focus of curriculum by being knowledgeable about current trends in the area(s) of responsibility
- Assists in coordinating school programs with appropriate local, state, and federal programs and/or regulations

Personnel Management and Services

- Assists in interviewing and assigning instructional personnel as needed
- Plans and implements system-wide orientation for appropriate personnel
- Establishes effective working relationships with instructional personnel
- Participates in teacher observations and conferences with teachers to promote professional growth
- Serves as a resource to administrators and instructional staff to promote continuous improvement
- Develops and conducts professional development to strengthen present programs and/or to initiate new programs

Administration

- Plans, conducts, and/or participates in professional development and meetings

**ST. MARY'S COUNTY PUBLIC SCHOOLS
ADMINISTRATIVE AND SUPERVISORY POSITION DESCRIPTION**

SUPERVISOR OF INSTRUCTION - VIRTUAL LEARNING

POSITION: Supervisor of Instruction - Virtual Learning

REPORTS TO: Chief Academic Officer

LOCATION: Department of Curriculum and Instruction

NATURE OF WORK:

The Supervisor of Virtual Learning serves as the educational leader of a concentrated student program, responsible for implementing and managing the policies, regulations, and procedures of the Board of Education to ensure that all students are supervised in a safe, student-centered learning environment that meets and exceeds the Maryland College and Career Readiness Standards, following the approved curricula and directives of St. Mary's County Public Schools. Primary responsibilities also include leading staff development, supporting staff creation of Schoology courses, Schoology management, Edgenuity, EdPuzzle, Kami, Online Learning and HTT, IAEC, AEP and EVLO support. This position requires the ability to observe and provide evaluative feedback regarding accountability, the effective and efficient use of technology, and the ability to deliver ongoing professional development. The position reports to the Chief Academic Officer.

ESSENTIAL FUNCTIONS:

- Ability to professionally relate to and collaborate with co-workers, students, and community members
- Ability to understand and maintain confidentiality
- Ability to use technology effectively to complete tasks
- Ability to report to work daily and on time
- Ability to organize, supervise, coordinate, and establish priorities of tasks to be completed
- Ability to work independently in the absence of detailed instructions and to follow complex oral and/or written instructions
- Ability to communicate orally or in writing, courteously and tactfully, with staff, students, parents, and the community in a timely manner
- Ability to oversee and provide direction to the designed department (personnel support for certificated and non-certificated employees)
- Ability to plan and implement short and long-range objectives which relate to the departmental and system-wide objectives
- Ability to lead, support the staff, and communicate professionally and effectively with internal and external stockholders
- Ability to exhibit a personality that demonstrates enthusiasm, and interpersonal skills to relate well with students, staff, administration, parents, colleagues, and the community
- Ability to demonstrate excellent leadership and organizational skills and the ability to motivate people and facilitate productive academic/organizational change
- Possess excellent time management skills and the ability to take initiative and make decisions within assigned responsibility in a challenging, fast-paced professional environment and be flexible in work responsibilities and hours

- Possess thorough knowledge of applicable Maryland laws, State Board of Education rules and regulations, Board of Education policies and regulations, regulations and procedures, and contractual obligations
- Possess knowledge of the programs, policies, and procedures of the St. Mary's County Public Schools
- Fluent in Schoology navigation, content creation, and digital integration
- Fluent in Schoology course and resource builds

DUTIES & RESPONSIBILITIES:

Program Management

- Serves as the educational leader of the Virtual Academy, and oversees the implementation and efficient integration of all educational technology such as Schoology, Edgenuity, EdPuzzle, Kami, etc. for SMCPs
- Organizes, manages, evaluates, and supervises effective and clear procedures for the operation and functioning of the program, consistent with the philosophy, mission, values and goals of the district, including instructional programs in the Maryland College and Career Readiness Standards, extracurricular activities, discipline systems to ensure a safe and orderly climate, financial management, facilities maintenance, program evaluation, personnel management, office operations, emergency procedures, and community relations
- Adheres to Maryland school law, State Board of Education rules and regulations, Board of Education policies and regulations, school regulations and procedures, and contractual obligations
- Leads program-level planning processes to ensure the development, implementation, and evaluation of the program
- Establishes the schedule of instructional programs in conjunction with students' home schools, ensuring sequential learning experiences for students that meet and exceed the Maryland College and Career Readiness State Standards, graduation requirements, and the Maryland Comprehensive Assessment Program (MCAP)
- Provides and supervises, in a fair and consistent manner, effective discipline and attendance systems with high standards, consistent with the philosophy, values, and mission of the school and district, in accordance with due process and other laws and regulations.
- Files all required reports regarding violence, vandalism, attendance, health, and discipline matters
- Supervises all personnel assigned to the program, establishing clear expectations for roles, responsibilities, and performance to ensure that all job responsibilities are met and exceeded
- Ensures that personnel evaluation procedures are accomplished in a fair and consistent manner, that encourages accountability, growth, and excellence, in accordance with law, Board policy, and contractual requirements
- Follows SMCPs procedures for hiring staff, including affirmative action, recruitment, and selection processes
- Strictly observes, to avoid the appearance of conflict, all ethics requirements regarding conflicts of interest in employment, purchasing, and other decisions, including solicitation and acceptance of gifts and favors, and submits in a timely fashion, the required annual disclosure statement regarding employment and financial interests
- Differentiates instruction to provide professional development and support based on upon

leadership direction that focuses on supporting all teachers with blended, concurrent learning

- Assists the Department of Curriculum and Instruction, the Department of Special Education, and other departments and sites in best practices for the use of Schoology
- Provides troubleshooting assistance to all staff in the areas of digital integration within Schoology
- Provides leadership and support in program implementation and prepares required reports in a timely manner
- Utilizes data to assist staff with developing and refining online and virtual instructional.
- Oversees the instructional component when a student transitions from a school placement to HHT, AEP, IEAC, and EVLO placement
- Performs work in an office setting as well as remotely from school buildings
- Performs any duties that are within the scope of employment and certifications, as assigned by the Superintendent and not otherwise prohibited by law or regulation

Program Culture

- Establishes and promotes high standards and expectations for all students and staff for academic performance and responsibility for behavior
- Coordinates resources for comprehensive student and family health and social services
- Displays the highest ethical and professional behavior and standards when working with students, parents, program personnel, and agencies associated with the program
- Serves as a role model for students, dressing professionally, demonstrating the importance and relevance of learning, accepting responsibility, and demonstrating pride in the education profession
- Keeps the staff informed and seeks ideas for the improvement of the program, and conducts meetings as necessary for the proper functioning of the program.
- Provides leadership opportunities to a variety of certificated and non-certificated staff members

Instructional Practices

- Supervises the instructional programs, evaluating lesson plans and observing classes on a regular basis to encourage the use of a variety of instructional strategies and materials consistent with research on learning and child growth and development
- Ensures that the instructional programs engage the learner in tasks that require analytical and critical thinking, questioning the known, problem solving, and creativity, that they address the range of skills and developmental needs found in the classroom, and that they encourage the student to define individual goals and accept responsibility for learning, and that they provide a variety of methods for the student to demonstrate performance and achievement
- Reviews student work to ensure that it is rigorous, purposeful, and engaging
- Reviews student assessments to ensure that they measure student mastery of the Maryland College and Career Readiness Standards
- Ensures IEP/PST processes and procedures are followed with fidelity

Data-Driven Instruction

- Collaborates to develop a comprehensive plan with annual student achievement targets, supported by parents, staff, and community members

- Organizes and maintains a Pupil Services Team, which intervenes to solve behavioral, nutritional, attendance, and other problems, receives data-based teacher referrals of students who are not making progress, and makes referrals to appropriate health and human service agencies
- Organizes and supervises data-based procedures for identifying and addressing special needs of students including health related concerns, and physical, emotional, and learning disabilities, coordinating the resources of the program and community to assist the student and family
- Collects and analyzes data regarding the needs and achievement of students, including local, State, and National assessments, and other pertinent information affecting the design and implementation of services and programs, using the information to recommend new programs and modifications to existing programs
- Ensures that appropriate intervention/enrichment for individual students is provided, based on the results of assessments
- Analyzes student attendance, discipline, and achievement data to identify and eliminate disproportionality
- Monitors the amount of instruction students miss due to absences and/or misbehavior
- Analyzes data obtained through observing teaching and learning, to make recommendations for improvement for individual teachers

Technology

- Demonstrates proficient use of student data management systems in order to analyze individual student data, teacher data and the effectiveness of the instructional program
- Uses technology for on-going root cause analysis of student performance to drive instructional decision making
- Demonstrates proficient use of technology resources for scheduling building use, ordering materials, managing staff absences, communicating with the program community, video camera monitoring, interview/hiring process, etc.
- Demonstrates proficient use of technology resources to observe and evaluate staff.

Professional Development

- Facilitates professional development for all staff focused on the achievement of the Maryland College and Career Readiness Standards, aligned with identified curricular, instructional, and assessment needs and connected to the School Improvement Plan
- Involves staff in determining their professional development needs
- Collaborates with principals and instructional leaders to help them develop and implement professional development for their schools and those they support
- Provides platform-specific training and support for Schoology and Edgenuity county-wide
- Facilitates professional development for all staff focused on developing cultural proficiency

Engage the Community

- Working with the staff and families, facilitates the development of a program vision that encompasses values, challenges, and opportunities for the academic, social, and emotional development of each student

- Maintains positive, cooperative, and mutually supportive relationships with the central administration, parents, and representatives of resource agencies within the community
