May 12, 2026

Dear Parents/Guardians:

The Department of Transportation welcomes you to the Olentangy Local School District's school bus transportation operation for the 2026-2027 school year. We hope that your experience with school transportation will be a pleasant one for both you and your child.

We have created a 2026-2027 Online Transportation Request Form for your use. The link can be accessed below, or you can access it from our Olentangy website. We will no longer send paper copies unless specifically requested. This vital information enables us to notify you, or your emergency contact should a need arise. A separate form is required for each child that needs transportation and it **must be completed and submitted no later than June 19.** Transportation information for the new school year will be communicated to your student's school.

To make this a positive experience, there are a few details you should know. The Olentangy drivers expect a parent, older sibling, or other adult to meet kindergarten and first grade students at the bus stop. If you prefer that your kindergarten and/or first grade student be discharged from the bus upon arrival at the bus stop in your absence, please provide this in writing to our transportation office.

To maximize our communication with you, we use a variety of methods to contact parents such as email, text and/or phone call. **Each school year we require a new Transportation Request Form to be completed and submitted, [click here](#).** If your transportation needs change during the school year, please remember to notify our office of any updates and allow 72 hours for those corrections to be completed.

We look forward to providing transportation for your child in the coming school year. Please feel free to contact us at any time with questions or concerns about your child's transportation by emailing us at Transportation@olsd.us.

Sincerely,

Todd Silverthorn
Director of Transportation
