Welcome to Spanish II Honors! The following activity is going to help prepare you for the beginning of the school year in Spanish II(H). If there are questions, you can contact me.

Your summer work will be via Wayground (wayground.com or download the free app). **Please use your Google Single Sign On or create an account with your GMSD email address and your real first and last name.**

1st semester courses: **The pre-term work will open June 1st. Work MUST be completed by 7:45am, August 5 with at least 90% mastery to receive credit.** You are able to complete it more than once to meet the 90% mastery if needed.

Here is the link to the assignment: https://wayground.com/join?gc=29046865

2nd semester courses: **You will NOT use the link above. A new one will be provided in December to best serve as review for your start date in January.**

*Academic honesty is expected on this assignment. You may use notes but the work should be done independently.

*Late summer work will only be accepted 5 days late for partial credit per HHS policy, but there is no reason not to complete the work before the first day of class, barring an extenuating circumstance.

*Students new to the district must meet the same deadline as it will be accessible online.

*You need to know all the book vocabulary from Spanish I. *Here is a link to all the Spanish 1 Vocab in Conjuguemos for additional (optional) review.

¡Nos vemos en agosto!
