*First semester courses: The assignments will open June 1.
*Second semester courses: You will not use the links above. A new link will be provided in December.
The summer work MUST be completed by midnight, August 4 to receive credit. You are able to complete it more than once to meet the 90% mastery requirement if needed.
*Academic honesty is expected on this assignment. You may use notes but may not work with another person or seek help from anyone.
*Late summer work will only be accepted 5 days late for partial credit. However, there is no reason not to complete the work before school begins. Please complete the summer work on time to start out your Q1 grade on a high note!
*Students new to the district are expected to complete summer work by the deadline as it will be accessible online.
*You also need to know all the book vocabulary from Spanish I and II. Review your old lists!

I look forward to having you in class! ¡Nos vemos!
