At SSAISD, family engagement is a shared commitment between families, schools, and the community to build strong, supportive relationships that enhance student learning and success. It promotes the well-being of families while supporting the ongoing growth of children, families, and educators. Family engagement is woven into every part of a child's educational experience, addressing the whole child's needs in culturally responsive and linguistically appropriate ways.

Overview of Partnership for House Bill 3 Family Engagement Plan

The mission of the South San Antonio Independent School District (ISD) is to inspire, educate, and prepare South San Antonio scholars for success beyond the classroom. This mission embodies a commitment to empowering all students with the knowledge, skills, and confidence needed to graduate and be ready for college and careers. The district prioritizes not only academic achievement but also the creation of a stimulating and challenging learning environment that enables students to unlock their potential and become successful lifelong learners. This holistic approach is integral to the House Bill 3 (HB3) Family Engagement Plan for Pre-K, emphasizing the importance of collaboration between schools and families in fostering early childhood development and education.

South San Antonio ISD has established a Family Engagement Plan that adheres to HB 3 initiatives aimed at fostering collaboration between schools and families. This plan is designed to empower families to actively participate in their children’s education, thereby improving academic outcomes and supporting overall student success. Furthermore, the HB 3 Family Engagement Plan emphasizes building strategic partnerships that leverage community resources, ensuring families have access to the necessary support and networks to enhance their educational involvement. This comprehensive approach underscores the district's commitment to involving families as partners in their students' academic journey.

<p>Evaluating Family Engagement Efforts and Using Evaluations for Continuous Improvement</p>	<p>SSAISD is dedicated to ensuring our family engagement efforts make a difference. We regularly ask for feedback from parents and staff to see what's working and where we can do better. By using what we learn to improve our programs, we can keep finding better ways to support family involvement in our schools. This ongoing effort helps us ensure our activities and resources are helpful, meaningful, and meet the needs of our families. Feedback and suggestions will be sought from families through:</p> <ul style="list-style-type: none">● District Family Engagement Online Interest Survey● District parent training and workshop evaluations● Principal Coffees or family engagement events and activities● Early Childhood/Head Start Parent Community Meetings (PCCM)● District Family Engagement Events
