Sixth Grade Math Department

Student Expectations 2025-2026

Teacher:	Subject:	Room Number
Ms. Abellana abellj2@nv.ccsd.net	Math 6/Math 6 CC/Acc Math	610
Ms. Castro castrm7@nv.ccsd.net	Math 6/Math 6 CC/Acc Math	606
Ms. Librando libramg@nv.ccsd.net	Fundamentals of Math	608
Ms. Perez perez04@nv.ccsd.net	Math 6/Math 6 CC/Acc Math	612

Extra help available - please speak to your teacher to schedule a help session.

Course Descriptions

Math 6 Accelerated	This one-year course is designed to increase mathematical fluency in problem solving, logic, reasoning, and effective communication. This course builds on the concepts of number operations with integers, decimals, and rational numbers, problem solving and reasoning skills, data analysis, probability, geometry, measurement, spatial relationships, patterns, and algebraic concepts. The use of technology is an integral part of this course. These courses fulfill the state Common Core mathematics requirement for sixth-grade students. As an integrated part of instruction, students will be required to take part in note-taking, online tutorials, and online assessments. The accelerated math class will cover both 6 th and 7 th grade concepts which will require an accelerated pace. Mathematics is a required course for all sixth grade students.
-----------------------	---

Required Materials for Math

This course has an important technology component. Each student has been offered a CCS D Chromebook to use at school and at home. It is the students' responsibility to bring this technology to class every day and complete any unfinished assignments after school hours. Phones will not be permitted in class. It is the student's responsibility to make necessary arrangements if the internet is not available at home.

School Wide Materials:

Pencils and Pens, Loose Leaf Paper, Ruler, Pencil Pouch, Glue Stick, Highlighters, School issued Chromebook and charger

Grading Scale and Weights

(A) 90-100% (B) 80-89% (C) 70-79% (D) 60-69% (F) 50-59	<u>Semester Grade:</u>
Grade Weights:	Quarter 1/3 50%
Summative (Tests) 80%	Quarter 2/4 50%
Formative (Assignments, Quizzes) 20%	

Assignments and Homework

Work will be assigned daily to practice the math curriculum. Adequate time will be given to complete assignments in class. Any incomplete work should be completed as homework. Students are responsible to do any assignments given during an absence. A late assignment will receive the letter grade "M", which has a point value of 0. **Late or missing assignments MUST be submitted no later than a week before the end of each quarter.**

Summative Assessments

Assessments will be given after every 3 to 4 lessons. Retakes will only be available to students who have completed and corrected all the lesson's assignments, in addition to meeting with his/her Math 6 teacher after school for remediation. Retakes will only be given after school from Monday to Thursday. We have a late bus at 4:00 PM from Monday to Thursday ONLY.

Expected Student Behavior

- Be in class before the tardy bell
- Undisrupted learning in class
- No cellphones are allowed
- Enter room quietly
- Bring materials to class – **charged Chromebook**
- Listen attentively and follow directions
- Follow all classroom rules/procedures
- Complete assignments/notes neatly and on time
- Show work **completely** on written assignments, quizzes, and tests.
- Organize notes and lesson materials
- Prepare and study for ALL summative assessments.

Progressive Discipline

Consequences

School Wide Plan

1. Warning/Conf. w/teacher
2. Parent Phone Call
3. Written referral for minor behavior in IC
4. Referral to the Discipline Office

(Severe disruption/infraction will result in immediate referral to the Discipline Office)

Criteria for Citizenship Grades

- O** Exemplary classroom behavior. All class and school rules observed and work completed. The student helps in creating and maintaining a good learning environment.
- S** Appropriate classroom behavior. All class and school rules observed with little reminding. Most work completed. The student does not detract from the learning environment.
- N** Occasional display of inappropriate behavior. The student does not observe classroom rules or complete work on a consistent basis, including interference of the learning of other students.
- U** Continual display of inappropriate behavior. Interferes with the learning of other students. Rarely brings materials to class and/or completes homework.

Parental Involvement

Here are some suggestions for how parents can help their students to be more successful in Math this year.

1. Check the student's Canvas Page and Parent Square announcement for assignments and upcoming tests.
2. Regularly check *Infinite Campus* for assignments and grades in all classes.
3. Keep the lines of communication open with your child's teacher through email. Email your child's teacher with concerns or questions as soon as possible.
4. Call and schedule a conference if needed @ 702-799-3240 ext. 4500
5. Set aside a time each day for your child to complete their homework and check to confirm it is really done and work is shown. Class notes should be used to ensure the homework is being done correctly.
6. Consult the school website and calendar for dates when Progress Reports and Report Cards are sent home.

Please Sign and Return

Student Name: _____ **Period:** _____

Please take the time to read through the course expectations and sign below. This page should be returned to me by the beginning of the 2nd week of school. Keep the rest of the handout with your notes.

I, _____, have read and understand the course expectations and grading policy
(Print student name)

_____ Student Signature	_____ Date	_____ Parent/Guardian Signature	_____ Date
-----------------------------------	----------------------	---	----------------------

I would like you to include your contact information below so that I can reach you if needed.
Please write your email address clearly on the lines below (please make the difference between your one's, L's, zero's, and O's obvious).

Parent/Guardian Email: _____

Student Email (optional): _____

Parent/Guardian Phone Number(s): _____

- ✓ After each test, I send printed grade reports home with students for parents/guardians to sign.
- ✓ Please make sure that the school has your correct contact info. The school number is 702-799-3240.
- ✓ Please register for the CCSD Infinite Campus portal to view your student's attendance and grades.
